

Directions:

- From I 395N. Follow I 395 across the Potomac, past L'Enfant and Maine Street exits.
 - Take the next exit to the Senate & C and D Streets. The sign also says something about the Tunnel - that's what you want, the Tunnel. Stay to the right at the exit and you will go right onto it
 - As you go through the Tunnel, stay in the two left lanes all the way to the end. It ends at New York Avenue, Rt 50. Go right onto New York Ave.
 - Stay in far right lane, go about 50 yards and bear Right onto M Street immediately after crossing New Jersey Ave.
 - Stay on M Street about two blocks, stay in left hand lane.
 - At North Capitol Street, turn left onto N. Capitol.
 - Follow N. Capitol for about 1 ½ miles to Michigan Avenue (25 MPH enforced) See map for cameras location
 - Right on Michigan Avenue and just follow to 13th Street, N.E..
 - Left on 13th Street, follow several blocks, to Varnum - and there it is.
-
- To return, go back down 12th Street to Michigan Ave, go Right and follow to N. Capitol Street, Go left. Follow N. Capitol to H Street (look for signs for I 395). Follow I 395 signs on H St until I 395
